

Exhibit & Expand

**Promote Your Business
to genuinely interested buyers**

**Do you have a business
to sell or franchise?**

**Why be another one of many on a page when you can
be the one that's THERE in front of the buyers?**

Exhibit at the Business Opportunities and Franchise Expo! Our visitors are people who want to buy a business and/or gather information on buying a business. These people will need to compare businesses to make an informed decision. Be the first to talk to them face to face about YOUR business.

Save time – save on one to one interviews – get in front of people now. The Expos make selling your business tangible.

Our visitors expect to see you there. They want to talk to YOU!

This is an expo for everyone.

**Businesses for Sale • Thousands of Motivated Purchasers
• Face to Face Meetings • Superb Promotional Spaces • Widely
Publicised Event • Industry Experts • Daily Seminars • Workshops
• Networking • Expert Advice • ALL IN ONE PLACE!**

Who should Exhibit?

If you are offering

Franchises, licenses, business opportunities, advice or support in starting or growing a business this is the perfect marketing channel for you!

Face to face and personal – expand by exhibition

People buy from people – then they find reasons to justify their decision.

The NZ Business Opportunities and Franchise Expo has been held nationwide for over 16 years and is sponsored by Westpac and endorsed by the Franchise Association of NZ Inc.

It will have something for everyone considering buying their own business – whether they are in the serious stages of investing large capital or just exploring the idea of a lifestyle change like working from home.

Not only is it an important learning forum for people considering buying their own business, but visitors are also in the position to meet experts and talk to business owners face to face in one place. Information that could take days to collect like interview

appointments, meeting and discussions can be researched in a matter of hours.

- Talk to the experts for advice and learn to minimize any risk
- Franchising and business growth tips offered at FREE SEMINAR run daily
- New business opportunities launching for the first time
- Plus mature business systems with opportunities available while/or supporting their brand and presence in the market place
- Look for business ideas to suit your lifestyle and budget – from under \$50,000 to over \$500,000
- Franchise Clinic – advisors on how to franchise your business and how to grow your opportunity

Opening Times

Doors open at 10am to 4pm
Seminars start at 10.30 and run daily every half hour.
