

Code of Ethics

*The Franchise Association of New Zealand Inc
Code of Practice sets out specific procedures
and recommendations for many aspects of franchising
which must be followed by Members of the Association.*

*The Rules of the Association and the Franchising
Code of Practice are to be interpreted in the
spirit of the Code of Ethics.*

Each Member of the Association will:

*Operate according to the Rule and Code of Practice
of the Association in all its requirements
and according to all relevant laws.*

Uphold this Code of Ethics for all Members.

*Promote membership of the
Franchise Association of New Zealand Incorporated
and adherence to the Code of Practice.*

*Adopt the highest standards of competency, practice
and integrity in all matters pertaining to franchising.*

*Respect the confidentiality of all information,
know-how and business secrets concerning
a franchised business with which it is involved.*

*Act in an honourable and fair manner in all its
business dealings and in such a way as to uphold
and bring credit to the good name of
the Franchise Association of New Zealand Inc.*
